Android 4.2

EVOLVEO StrongPhone Q4

Quad core resistant Android smartphone

The heart of this phone is an extremely powerful quad core processor and one gigabyte of ram. Additionally, it also provides you a comfort of a colorful 4" IPS screen with wide viewing angles, which allows you to view images, watch HD movies or smoothly browse webpages. Also features support for fast 3G data transfers and an 8 mpix camera with autofocus, flash, HDR support and Panorama feature.

When abroad, you will surely appreciate the WiFi hotspot feature, which allows you to setup a wireless network around your phone. You can then easily share the data connection of your mobile phone with other devices, such as your laptop.

Waterproofness is ensured by the compliance with the IP67 standard, phone is resistant to dust or water intrusion, tested by submersion in 1 meter depth of water for 30 minutes.

Quad core power

Enjoy the fast web browsing, the most performance demanding games, multitasking and the possibility to download large files thanks to the powerful Quad core processor. It utilizes a modern ARM Cortex-7 architecture, which is optimized for a maximum performance while keeping the battery consumption low. The high performance is also ensured by 1gb of RAM.

IPS display

The smartphone is equipped with a 4.0" IPS Gorilla Glass screen with improved scratch resistance. IPS technology ensures crystalclear image, true colors and wide viewing angles.

Specifications

- rubber coated rigid surface with a reinforced inner frame for improved durability
- shock and vibration resistant
- Quad Core 1.2 GHz (ARM Cortex-A7) processor
- PowerVR SGX 544MP gpu
- Android 4.2 Jelly Bean operating system
- 4.0" Gorilla glass touchscreen
- 480 * 854 px screen with an automatic brightness adjustment
- IPS display with 16.7 million colors and wide viewing angles
- GB ram
- 4 GB internal memory with a possibility to extend using a microSDHC memory card (up to 32 GB)
- 8.0 Mpix camera/camcorder with autofocus and LED camera flashes
- 1,3 Mpix front camera
- HD video recording (1280 x 720 pix)
- Dual SIM mode - 2 simultaneously active SIM cards in one phone
- only one SIM cards needs to be inserted and active for proper operation
- network support: SIM 1: 3G (WCDMA)/SIM 2: 2G (GSM)
- GSM: 850/900/1800/1900 MHz (GPRS/EDGE)
- WCDMA/HSDPA: 850/2100 MHz (3G)
- GPS/A-GPS/GPS EPO
- Wi-Fi 802.11 b/g/n
- Bluetooth 4.0
- Tethering and portable WiFi hotspot support
- microUSB connector for PC connectivity and charging
- FM radio
- E-compass, light sensor, proximity sensor, G sensor
- Google Play Store support with a possibility to install many apps and games
- ECO battery saving feature (monitoring and extension of the battery life)
- loop for a bag or equipment attachment
- Li-Pol battery: 2 800 mAh
- size: 140 x 76 x 17 mm
- weight: 240 g (including battery)

Package content

- Dual SIM smartphone EVOLVEO StrongPhone Q4
- stereo headphones with hands-free
- 230 V USB charger
- microUSB cable
- user manual
