3G, GPS, Wi-Fi

## EVOLVEO EasyPhone AD

**ELEGANT AND EASY TO USE BUTTON TELEPHONE WITH ANDROID OPERATING SYSTEM AND A LARGE TOUCH SCREEN**

### Large 2,8" colour touch screen

Large 2,8" colour touch screen and the fully fledged well supported keyboard are adapted for fast and easy use. The large screen enables you to browse pictures, web pages or to watch films.

### Keyboard

The phone is equipped with a classic button keypad which enables quick and easy typing.

### Well-arranged menu with large icons

The graphical interface is easy and even the users who are not very technically skilled will appreciate it. The use has been simplified to a maximum, the phone contains just the most necessary applications that are clearly arranged in four separately screens.

### Charging stand

The phone is supplied with a charging stand for easy battery charging.
