EVOLVEO EasyPhone XD

**STYLISH MOBILE PHONE IN MODERN
BLACK-SILVER COLOR WITH A CHARGING
STAND AND A LARGE COLOR DISPLAY**

Easy operation and a large color display

The operation has been absolutely simplified; big digits and letters are easy readable on the large color display. Individual keys are separated to simplify writing SMS messages and typing phone numbers. There are three dedicated keys on the side of the phone to dial your favourite numbers. You can quickly launch the camera by pressing one key.

Photo contacts

You can assign a photo to the individual contacts so you will know right away who is calling.

Charging stand

The phone is supplied with a charging stand for easy battery charging.

SOS calling and emergency SMS message

There is the SOS button on the back of the phone. When it is pressed, the phone will automatically start to dial preset numbers and sends emergency messages.

Flashlight

Handy flashlight can be switched on or off using a dedicated button on the side of the phone and it's possible to use it even when the phone is switched off.
